

Doorways

In *Doorways*, artist and poet Alberta Hutchinson presents a work that illustrates her philosophy that Doorways exist in every place at every moment. Beautifully presented in 52 full-color illustrations, with an additional 13 black and white doorway illustrations for coloring, each Doorway opens the reader to new possibilities. Like her many other works, Hutchinson uses intricate designs to present her words, and hand lettering to maintain their natural artistic rhythms. Her magnificent patterns and images continue to inspire ideas and delight the eye.
