

Death Quest (Mission Earth)

Kinky killers. Exploding speedboats. \$2 billion paternity suits. Its love Voltarian-style...and planet Earth is feeling the heat. Voltarian Royal Officer Jettero Heller will go to any length to protect his beloved Countess Krak. Hell race up the eastern seaboard pursued by the entire Coast Guard. Hell smash boats, hell set off bombs, hell fight off every paternity suit that comes his way...But Apparatus Officer Soltan Gris is just as determined to put the Countess out of commission-for good-and hes found the perfect hit man for the job. Well, almost perfect. This particular Torpedo has one little kink. He takes a bit of an unhealthy interest in his victims...after he kills them. And as if Gris didnt have enough on his plate, wedding bells are ringing. The Voltarian stud is about to tie the knot-with two women! Yes, love is a battlefield. But in this warped war of twisted desires, perverse passions and unholy alliances-the entire Mission Earth enterprise could soon morph into a truly decadent DEATH QUEST.
