

Spiders (Little Nippers: Creepy Creatures)

Little Nippers features a collection of first information books for young learners offering quality non-fiction supported by clear photographic images. Capture the young learners imagination with these real books designed with their needs in mind. Creepy Creatures introduces children to the world of minibeasts which they may have come across in the parks or gardens. The books help children to find out about and identify features of living things, objects and events they may observe.
