

James Bond: Choice of Weapons: Three 007 Novels: The Facts of Death; Zero Minus Ten; The Man with the Red Tattoo (James Bond 007)

Three classic 007 novels by the acclaimed Raymond Benson, featuring literatures most celebrated secret agent. In this new collection of James Bond novels, published in trade paperback for the first time, we are once again treated to the thrilling adventures of Flemings classic hero, first in *The Facts of Death*, which pits Britains famed secret agent against a fanatic cult who has murdered Ms lover; then in *Zero Minus Ten*, where Bond finds himself in Hong Kong to investigate a series of deadly shipping explosions; and finally in *The Man with the Red Tattoo*, where Bond must stop a Japanese crime ring from attempting a mass assassination with a deadly strain of the West Nile virus. As an added bonus for the fanatical Bond fan base, the collection includes two short stories never before published in book form, *Live at Five* and *Midsummer Nights Doom*. Through it all, Raymond Benson masterfully evokes the classic Bond flair, romance, and elan that made Ian Flemings novels worldwide bestsellers.
