

## Roughing It: Illustrated with Critical Thinking Discussion Questions

Roughing It by Mark Twain is a semi-autobiographical travel book that chronicles Twains adventures through the wild west and Hawaii in the late 1800s. It is a timeless classic read by millions. Book clubs, literature majors, Advanced Placement English students, English teachers, and people who love quality literature, will find this humorous book thoroughly enjoyable. In addition, readers will appreciate the critical thinking discussion questions and illustrations following the story.
