

Meet Dr. Morelle

Here is a collection of the strange adventures of Doctor Morelle, that most sardonic of characters, and his gentle, timorous assistant Miss Frayle, in a sequence of fifteen gripping episodes-fifteen dynamically hair-raising chapters from the Doctors case-book. Meet Doctor Morelle throws some interesting sidelights on what is probably the most sensational partnership ever conceived in the field of crime. Ernest Dudleys creations appear to be doing not a little to fill the blank caused by the extinction of Gonan Doyles famous medical partners. -Western Mail
