

The First Church (Moving In Series) (Volume 4)

Heres to saints, sinners and sake! Brian Roy is a ghost hunter extraordinaire. His latest adventure involves headless Japanese soldiers wreaking havoc in a New Hampshire church. The stats are grisly. Two boys blinded. Another boy shot. Cops killed. The bodies keep piling up and the ghosts thirst for vengeance is as insatiable as their thirst for sake! The phantom soldiers cut a swath of murder through the congregation until all that's left of Brian's local allies are Jim Bogue and his grandfather, Luke Allen who is a blind marine vet. They are all that stand between the dreadful ghosts and the helpless locals. Even as a second threat lurks in the shadows, just as deadly as the gruesome specters, the ghostbusters race against time to save the town. While trying to protect the living, Brian and his crew are thrust into the unforgiving world of the undead. When the last battle finally begins, Brian wonders if he's met his own personal Hiroshima! And his squad will they make it out alive or will the Japanese soldiers have their way?
