

The Shewing-Up of Blanco Posnet - With Preface on the Censorship

This little play is really a religious tract in dramatic form. This early work is a fascinating novel of the period and still an interesting read today. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
