

El libro de la selva (Spanish Edition)

El libro de la selva (en ingles: The Jungle Book), tambien llamado El libro de las tierras virgenes, publicado en 1894, es una coleccion de historias escritas por el britanico Rudyard Kipling, el primer escritor ingles en ser galardonado con el Premio Nobel de Literatura en 1907. La historia se basa en cuentos de animales de la selva india que, de forma antropologica, plantean lecciones morales.
