

## The No Name Girl Mystery

The girl looked down at herself for the first time. She was wearing a dirty and torn shimmery purple lace dress of about knee length. There were pearls sewn into the material around the neckline and the waist. On her legs were ripped nylon stockings. She was not wearing any shoes. But on her arm was clasped a diamond bracelet. A matching necklace dangled from her neck. Her hands were covered with diamond and pearl rings in gold settings. Just who are you anyway? Old Man McDirk moved closer to her. She thought hard. She wrinkled her brow in concentration. She honestly could not remember who she was. But she's better remember soon. She's been dumped in the Arizona town of Hole, and the killer is after her.
