

Selected Short Fiction of Edith Wharton

Perhaps best known for her classic novel *The Age of Innocence*, Edith Wharton loved the short story form because its brevity allowed her to concentrate on telling the story. In these three powerful stories, Edith Wharton transports the listener to the turn of the century, where she depicts (without turning to sensationalism) the shocking topics of the time. Often, she opens just after an incident, allowing the listener to be immersed straight into the story. This volume contains eleven selected short stories by Wharton, including *Kerfol*, *Mrs. Manstey's View*, *The Bolted Door*, *The Dilettante*, *The House of the Dead Hand*, *Afterward*, *The Fullness of Life*, *A Venetian's Night's Entertainment*, *Xingu*, *The Verdict*, and *The Reckoning*.
