

Explorers Guide 50 Hikes in Alabama (Explorers 50 Hikes)

A hike for every interest and ability! Alabama has so many great hikes to offer, including those in national and state parks and forests and in national wildlife refuges. In this book, the emphasis is on the most scenic destinations and unique places that help make Alabama so beautiful, like the rock formations of the Wall of Jericho, or the dunes of Bon Secour. Many hikes described here are off-the-beaten-path treks to lesser-known sites such as Needles Eye and Blue Spring; they show visitors the states wide range of beauty and biodiversity. Others take place at various spots along the Pinhoti Trail, the master path through Alabamas mountains. Black-and-white photographs and maps
