

Extreme Measures (Stony Man #55)

STONY MAN As Long as terror is used to further the visions of a twisted few, Stony Man will stand firm in its mission to retaliate with extreme prejudice. The covert arm of the Justice Department, Stony Mans elite field and cybernetics commandos are sanctioned by the Oval Office and are equipped to take on any enemy in any battlefield: ground, sea, air, space . . . Or cyberspace. Now the flames of the jihad strike anew in a master conspiracy that may plunge America into a death spiral. RAGE OF MOTION In a brilliantly conceived plot to weaken America from within, a renegade faction of Islamic fundamentalists has triggered a series of terrorist attacks across the U.S. Masking their agenda by unleashing a bloodbath in their own backyard, the wave of terror is fast approaching real time, Stony Man enters the game, deploying state-of-the-art technology to deliver a killing blow to Americas attackers.
