

Eye Openers: Good Things, Immensely Funny Sayings & Stories That Will Bring a Smile upon the Gruffest Countenance

This rare Mark Twain short story collection was part of his copyright legal battle in England. It was released without his permission and he never received income from it. It is NOT a scan of the original. It is a transcription of the printed edition that has been painstakingly edited to resemble the original as closely as possible in a digital format. It contains 27 sketches that are mostly from THE GALAXY magazine that Mr. Twain was one of the editors for from 1870 to 1871. The following is a list of the sketches in this book: Eye Openers Journalism in Tennessee Memoranda The Facts in the Case of the Great Beef Contract The Petrified Man My Famous Bloody Massacre The Judges Spirited Woman Higgins Hogwash Johnny Greer A Daring Attempt at a Solution of it To Correspondents A Memory Political Economy John Chinaman in New York An Epidemic Favours from Correspondents The Reception at the Presidents Goldsmiths Friend Abroad Again Curious Relic for Sale Science v. Luck How is this for High? Mark Twains Map of Paris Riley Newspaper Correspondent The Story of Joseph Mark Twains Last Medieval Romance
