

Fast Forward: Book III: Generation: The Van Burens 3

Julia Van Buren narrates the final installment of the Van Buren Series in real time and as an old woman looking back over her life as the catalyst to a pandemic. The stakes are higher, the love is stronger, and there's an explosive ending you won't see coming. Shocking family secrets emerge, and she's in a race against time to stay alive and prevent a worldwide epidemic not yet seen before now. Julia's childhood nemesis becomes not just a man to reckon with but one of the most powerful men in the world. She finds herself in the arms of true love, building a life, and trying to stay alive. Will there be a second generation? Only time will tell as Julia narrates this explosive journey through the eyes of a young girl and seasoned woman with all nine of her lives hanging in the balance. Lies, betrayal, murder, and scientific discoveries all wait for you in the explosive conclusion of The Van Burens.
