

Vegas Heat: Vegas, Book 2

Vegas Heat is the powerful story of the Thornton dynasty...of Fannys twin sons, Sage and Birch: alienated from each other, one is content in his conventional life while the others search for happiness leads to tragedy - and renewed hope. It is the story of Fannys two daughters: Sunny, betrayed by her husband, fighting a battle no woman should ever have to face...Billie, whose obsessive devotion to the Thorntons childrens-clothing empire has kept her from finding love. It is also the story of Fannys search for her own roots...and her relationship with Marcus Reed, the wealthy but mysterious businessman who promises her a passion she has been denied for too long. A poignant and passionate tale of pride and ambition, heartbreak and betrayal, tragedy and triumph, Vegas Heat resonates with drama and emotion. It is the story of a familys struggle for success against all odds and their search for love and acceptance.
