

Kristin Hannah CD Collection: Comfort and Joy, Magic Hour, Firefly Lane

Comfort and Joy: Joy Candellaro used to love Christmas more than any other time of the year. Now, as the holiday approaches, she finds herself at loose ends. So without telling anyone, she buys a ticket and boards a plane bound for the rural Northwest. Yet Joy's best-laid plans go terribly awry. The plane crashes deep in the darkness of a forest. Miraculously, Joy walks away from the wreckage as the plane explodes. She makes a bold and desperate decision to leave her ordinary life behind and embark on an adventure . . . just for the holidays.

Magic Hour: Until recently, Dr. Julia Cates was one of the preeminent child psychiatrists in the country, but a scandal shattered her confidence, ruined her career, and made her a media target. When she gets a desperate call from her estranged sister, Ellie, she jumps at the chance to escape. In Rain Valley, nothing much ever happens ? until a girl emerges from the deep woods and walks into town. The ordeal that follows will test the limits of Julia's faith, forgiveness, and love.

Firefly Lane: Spanning more than three decades, Firefly Lane is the poignant, powerful story of two women and the friendship that becomes the mainstay of their lives. Tully will follow her own blind ambition to New York and around the globe, finding fame and success...and loneliness. All Kate really wants is to fall in love and have children and live an ordinary life. What she doesn't know is how being a wife and mother will change her...
