

Natural Suspect {Unabridged Audio}

In the tradition of *NAKED CAME THE MANATEE*, each of eleven mystery writers writes a chapter in this suspense thriller. When the volatile tycoon Arthur Hightower decides to disinherit his spoiled children and cheating wife, he makes the biggest mistake of his life. He turns up on Thanksgiving Day, clubbed to death and stuffed in a meat locker, and his wife Julia stands charged with murdering him for his millions. The sensational New York trial galvanizes a curious cast of suspects: a small-time lawyer about to hit the big-time, an assistant D.A. who keeps a huge pet rabbit, a wannabe reporter sitting on a scoop that could get him killed, and a mystery woman everyone seems to know. Who is the murderer and who wrote each chapter?
