

Stories from the Crosswalk

Join crossing guard James Stephens as he shares original short stories inspired by his interaction with children. A talking worm, a bullfrog bully, and a friendly duck family are just a few of the many characters that spring to life in these pages. Let your imagination run wild as you ride a bull with DooDad the Clown and fly into outer space with Santa Claus. As each adventure ends, the main character has learned a valuable lesson-about friendship, manners, obedience, and faith, among other things. Each of the 17 short stories includes a timeless black-and-white illustration to intrigue you. And the final story has a twist: a place on each page on which you can tap into your own creative side and draw pictures to go with the story.
