

Freya & Giselle, Part 4 (SapphiConnection)

The SapphiConnection exists to bring like-minded women together for fun and relaxation. Find your hot date for the night and fulfill all your mutual whims: nothing is forbidden, no attractions laughable, and most of all, your satisfaction is guaranteed. Freya & Giselle, Part 4 (6,000 Words) One week before her big gallery show, Freya finds herself in a pinch. Not only does she still have a lot of works to complete, but there's one work in particular giving her a headache: a statue with more than one sizable asset. She knows what she wants to do with it to make an artistic statement. But it's going to take girlfriend Giselle to help her see it through to the end - and not just her own! This work depicts graphic lesbian relations and naughty, naughty words. Not intended for minors or those who get miffed at a lack of men.
