

Gems of Geometry: A Coloring Book

Welcome to Gems of Geometry: A Coloring Book! This book contains 40 beautiful and relaxing designs ready to transport your mind to the tranquil world of coloring magic. The designs contained in this book welcome colorists of all skill levels. Whether you just want to play with color palettes or embellish with swirls and shading, these designs provide a range from plain and simple to difficult and challenging. Use the white space for doodling and embellishing. Swirls, shading, dots, and lines--transform your designs into brilliant and stunning works of art.
