

Geog.3 Basics OxBox CD-ROM & Teachers Book

geog.123 is the number one geography course at KS3 (11-14 years). geog.3 basics OxBox CD-ROM & Teachers Book works alongside the 3rd edition geog.3 students book, providing additional support material for lower-ability students. Simplified Your Turn questions and worksheets use accessible language to engage your students. There's an activity provided for every double-page spread in the students book, so there's support for every lesson, while guidance and answers are provided in the teachers book. Download the resources from the CD-ROM and customize them so you can really personalise learning. They're also printable, editable and photocopyable, making them flexible and easy to use - and they can be easily tipped into your existing OxBox.
