

## Ghost Band

Trumpeter Miles West only planned to tour with a dance band for a couple of years after college. Now middle-aged, he finds himself still riding a bus across the country with a group that plays under the name of a long-dead bandleader--in musical parlance, a Ghost Band. Playing music that revives long-forgotten memories and rekindles romances, the band is never far from the specters of the past. In a breathtaking moment during a special song for sweethearts, Miles is shocked to discover the link to the past is far more real than anyone ever dared to imagine... In *Dark Within* Wooley gave us a new way to view technology. His *Awash in the Blood* shed a new light on vampirism. Now, he has expertly conjured a fresh vision of the spirit world. *Ghost Band* is a rich, haunting exploration of murder, mystery, and music that will resonate with readers long after the last page is turned.
