

## Ghost of a Dream (A Ghost Finders Novel Book 3)

Meet the Carnacki Institutes operatives JC Chance: the team leader, brave, charming, and almost unbearably arrogant; Melody Chambers: the science geek who keeps the antisupernatural equipment running; and Happy Jack Palmer: the terminally gloomy telepath. Their mission: Do Something About Ghosts. Lay them to rest, send them packing, or just kick their nasty ectoplasmic arses. The Ghost Finders are investigating a haunting at the long-abandoned Haybarn Theater, which is being renovated. But work has been thrown off-schedule by the some peculiar and unnatural activities. And after the potentially world-altering recent events of their previous assignment, the team thinks that a haunted theater (aren't they all?) will be a walk in the park. Until they encounter the Phantom of the Haybarnan ancient evil whose ability to alter reality itself will test the skills, science, and blind luck of the Ghost Finders to the limit.
