

## Grim Offerings (Aisling Grimmlock) (Volume 2)

Grim and bear it. Being a grim reaper isn't easy, but answering to family is even worse. Between argumentative souls, overbearing older brothers and everyday nonsense, Aisling Grimmlock has her hands full. When a run-of-the-mill job goes awry, Aisling finds herself in a mess. The soul she was supposed to collect is still amongst the living, and the man who wanted to kill him is dead instead. Detective Griffin Taylor is returning from an undercover assignment, and the first thing he wants to do is reconnect with Aisling. Her brother Aidan is giving him fits, though, and the rest of the family isn't making things much easier. When wraiths start showing up again, and a member of the Grimmlock family is seriously hurt, it's all hands on deck for the final showdown. Unfortunately for the Grimmlocks, they can never do anything the normal way. Aisling is chafing under worry and pressure, and her family is circling the wagons. It's going to take everyone working together to survive and when the final fight is finally waged, a huge secret is revealed that will change the Grimmlocks world forever.
