

The Essential Sherlock Holmes Collection: 48 Books and Short Stories (Unexpurgated Edition) (Halcyon Classics)

This Halcyon Classics ebook collection contains forty-eight books and short stories from Sir Arthur Conan Doyle's canonical SHERLOCK HOLMES series. Sherlock Holmes is the creation of Scottish physician and writer Sir Arthur Conan Doyle (1859-1930). Doyle began writing Sherlock Holmes stories as a way to pass time between seeing patients at his medical practice. Sherlock Holmes is a brilliant London-based consulting detective and is famous for his intellectual prowess. Holmes is renowned for his skillful use of astute observation, deductive reasoning and forensic skills to solve difficult cases. Most of the Sherlock Holmes stories are narrated by Watson, Holmes' friend and assistant. In addition to Sherlock Holmes, Doyle wrote dozens of other pieces of fiction and several influential non-fiction works. This ebook is DRM free and includes an active table of contents.

Contents:
