

Heartthrob: M/M First Time Gay Romance

Trevor Hale is an average college student, struggling to get by. Juggling school, his job at the music store, and his fathers ridiculous expectations, Trevor has a few more hurdles to clear before he can truly get out of his lifelong slump. He has managed to maintain a lie for his entire twenty-year old life, but he is ready to finally bring it all out into the open. The night before the new semester, Trevor decides to take his life by the reigns and makes a life-changing announcement: He likes men! With the help of his supporting roommates, Stacey and Paul, Trevor jumps headfirst into a world full of uncertainties as he finally begins to accept his sexuality. Desperate for a celebration, Stacey drags a reluctant Trevor to a night-on-the-town at the local gay bar, where he attempts to come out of his shell, but finds himself sitting in the corner of a bar with his eyes fixated on the floor. A local band named Eagle Talon plays a rocking show, and Trevor lays eyes on lead singer and heartthrob, Benjamin Schneider. If that wasnt enough excitement for one night, Trevor eventually calls the attention of one handsome and very forward suitor. Little does he know that both of these men will forever alter the course of his life. Please Note: This book contains Adult Language & Steamy Adult Activities, it is intended for 18+ Adults Only. Novella, approx. 30,000 words in length. HFN (happy for now). Does not end with a cliffhanger.
