

## Garro: Shield of Lies (The Horus Heresy)

Nathaniel Garro features in this Horus Heresy audio. While the war rages on across the galaxy, for many on the Throneworld of Terra it exists only in rumour and hearsay. But in the course of her daily duties, humble adept Katanoh Tallery discovers evidence of a conspiracy within the Administratum - surely, this can only be the precursor to a traitor attack on the Solar System itself! Fleeing into the shadows, she soon finds herself at the mercy of the mysterious Knight Errant Nathaniel Garro. Will this stalwart defender of mankind be her saviour, or her executioner?
