

Judas Silver

Around the world, someone is stealing the cursed Judas Coins, the same 30 coins paid to betray Christ. Disturbed by these events, the Vatican hires our hero, antiquities thief, Trey Jordan. Treys mission is simple: find the coins first. And to combat the dark power contained within the cursed coins, Trey will be entrusted with a powerful weapon of his own, a weapon hidden deep within the Vaticans secret vaults. As the adventure begins, he will team up with a past lover, the beautiful numismatist Eve Roberts, a coin collector herself and owner of one of the cursed Judas Coins. Their search begins with a famous sunken ship and will lead to a bizarre castle located in the middle of a Scottish loch. And waiting at every turn is the mysterious Draken, whose dark power multiplies with the acquisition of each new coin. In the end, when a seemingly victorious Draken brings together all thirty coins, when the Gates of Hell have been thrown wide open and the world has been plunged into darkness and chaos, a desperate Trey Jordan will unleash the ferocious power of the legendary Fourth Nail.
