

Iced Tea (The Tea Series Book 3)

Iced Tea is the third novel in the bestselling Tea Series. With over 250,000 copies sold, the series serves up fast, fun reads full of action, romance, and laughs. A fresh take on the serial novel, not every mystery is solved at the end of the day or at the end of the book. Each installment keeps you coming back for more! Cara O'Flynn's life is a little out of control. She still doesn't have a job. She's still heating things up with A.J. And she still can't make sense of the dead cops diaries. Cara is sure a cup of tea and some kitchen scrubbing will get her back on track. But when Officer Jerkface starts stalking her and threatening the O'Flynn family, it may be time to call in the cavalry or at least her sister Teagan, a lawyer, and her neighbor with the big blue balls! Packed with surprises and sisterly snark, Iced Tea will have you howling and hanging on the edge of your seat.
