

## Forever Yours, Faithfully

When a crush turns into love, will the demands of family rip them apart? Greg Scott and Randy Williams have just begun their lives together when family and obligation come between them, forcing Greg to choose between duty and honor or his soul mate. At eighteen, the decision is too much. Misunderstandings drive a wedge between Greg and Randy, and it doesn't seem like time will heal their wounds. Randy knows he will never find anyone as good as Greg. He has a hell of a devil on his tail and runs far, getting into more trouble than he ever thought possible.

Fate ripped them apart but fate brings them back together. Can they accept their faults and their failures, or will they give up on forever?
