

A Wizards Touch: Volume One

Jaynell's Wolf At his dead father's bequest, Jaynell Marley attends an esteemed wizard school hoping to finish up his education. What he finds is that the real education he's lacking is about life. When shape shifter Thomas Sparks claims Jaynell as his mate the pair start a whole new understanding between werewolves and wizards. ~*~*~*~*~

Kevin's Alpha When the alpha of the local werewolf pack declares Kevin as his mate, the free-wheeling wizard panics. He didn't plan on settling down, not now, not ever. However when Jay goes missing he has to partner with the alpha to help his friend. If Kevin can't find the confidence to dredge up his magic, his friend could be lost forever.
