

# Betty #186

With help from Diltons holographic projector, Betty finds a way to declare her love for Archie without having to actually carve their initials in a tree. Then, the neighborhood paperboy is awfully interested in making deliveries at the Cooper home. Later, Nancy and Betty both wish they had more time for fun, and thanks to a wishbone those wishes may come true! Finally, Bettys Mom is shocked at how much effort Betty is putting into cleaning the house - until she learns Betty invited Archie over!
