

Last Summer

During the summer of 1993, Zach and his friends set out to have one final adventure before they start high school. But instead, they accidentally discover an entrance to hell and the dark secret which resides there.

People are disappearing, and when Zach's girlfriend goes missing, he suddenly finds himself caught up in a battle against an ancient evil which threatens to destroy anything that gets in its way. This is a tale about evil and its existence in a small Iowa town. It's about childhood, friendship, and growing up. It's also a love story.
