

Moby-Dick: Or the Whale, Vol. 1 of 2 (Classic Reprint)

Sub-S ub appears to have gone through the long Vaticans and street-stalls of the earth, picking up whatever random allusions to whales he could anyways find in any book whatsoever, sacred or profane. Therefore you must not, in every case at least, take the higgledy-piggledy whale statements, however authentic, in these extracts, for veritable gospel cetology. Far from it. As touching the ancient authors generally, as well as the poets here appearing, these extracts are solely valuable or entertaining, as affording a glancing bird s-eye view of what has been promiscuously said, thought, fancied, and sung of Leviathan, by many nations and generations, including our own. So fare thee well, poor devil of a Sub-S ub, whose commentator I am. Thou belongest to that hopeless, sallow tribe which no wine of this world will ever warm ;and for whom even Pale Sherry would be too rosy-strong ;but with whom one sometimes loves to sit, and feel poor-devilish, too ;and grow convivial upon tears ;and say to them bluntly with full eyes and empty glasses, and in not altogether unpleasant sadness Give it up, Sub-S ubs !F or by how much the more pains ye take to please the world, by so much the more shall ye forever go thankless! Would that I could clear out Hampton Court and the Tuileries for ye! But gulp down your tears and hie aloft to the royal-mast with your hearts ;for your friends who have gone before are clearing out the seven-storied heavens, and making refugees of long-pampered Gabriel, Michael, and Raphael, against your coming.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically

important writings.
