

# Ivanhoe

Of all the writers in the 19th century, the preeminent one was Sir Walter Scott, whose works were so beloved that he had an international fan base well before he died. The Scotsman is still considered one of the greatest writers of the English language, and his most famous and popular title is Ivanhoe. Ivanhoe is a classic historical novel that practically popularized the genre. Set in 12th century England, Ivanhoe sparked interest in the Middle Ages as a whole, and Scott's writing style made Romanticism as a movement prominent as well. Ivanhoe remains a must-read for anyone interested in literature.
