

## Fonko Go Home (Jake Fonko) (Volume 7)

When former Army Ranger Jake Fonko bumps into an old friend from his Cambodia days at the secretive 92 Bilderberg conference, Jake's latest mission begins. Not long after, Jake finds himself dodging bullets from the Russian mafia, a Hong Kong crime family and both sides in the Serbian civil war. Caught in crumbling Sarajevo without backup, Jack must use his combat training and quick wit to escape alive. But there's just one more problem: this time, he's not alone. And getting a civilian out of the warzone safely is a whole different story... For fans of fun, fast-moving adventures, the Jake Fonko series seamlessly blends well-researched 20th century history with equal parts white-knuckle thrills, satirical humor and explosive action. If you like Ian Fleming (Bond), John D. MacDonald (Travis McGee), George MacDonald Fraser (Flashman) or Clive Cussler (Dirk Pitt), you'll enjoy the Jake Fonko series. NOTE: This is a standalone novel that can be fully enjoyed without reading any other books in the Jake Fonko series.
