

Bead Play with Fringe: Techniques, Design and Projects

All-star beadwork author Jamie Cloud Eakin turns her attention to the fabulous fun of fringe. Although adding fringe to beadwork is popular, there is no other comprehensive book that catalogues and details the unique aspects of fringe. The techniques detailed include standard, loop, kinky, branch and several twisted/spiral fringe styles. There are 30 projects for beaders to hone their skills while creating beautiful beadwork. Ms Eakin is known for her ability to explain and illustrate beading techniques and also includes considerations for fringe design in this must have book for beading enthusiasts.
