

PERU RAW AWAKENING

You are invited to share the extraordinary riot of events of two unsuspecting and provocative Americanized beauties as they dare to enter a very macho mans world. This was no tour guided pampered plunge. This unbridled adventure seemed innocent enough but what unfolds is terrifyingly real. October of 1987 was probably the most turbulent time of terrorism in Peruvian history. Who knew? The seemingly benign search for mysterious myths and legions only Peru could passionately muster proved more than anyone could expect in a two week vacation. Travel with these women as their plane crashes in the Andes and they discover incredible inhabitants with unparalleled beliefs while ever flirting with disaster. Could you survive?
