

Distortion (Dark of the Mind Trilogy Book 3) (Volume 3)

Tryke Harpers secret world has been discovered, and hes being hunted down by his uncle, a seasoned homicide detective. But while Trykes life may have grown more confusing, his mission of releasing dirty souls has never been clearer. Accompanied by his girlfriend Lesley, he heads to New Orleans, where the approaching Mardi Gras festival means the city is full of potential specimens. As he attempts to juggle ever-changing circumstances, including Lesleys desire to play a bigger part in his world, Tryke must figure out a way to return to Dallas in order to avenge his mother and how to fit love into the madness. Voodoo, archaic graveyards, and grisly executions are just a few of the elements in this thrilling adventure. In the end, Tryke must face his own demons as he exhumes a dark past thats been cleverly shrouded, and that ultimately threatens to imprison him forever. Get ready for more twists and harrowing encounters, and a climax to the trilogy that will stay with you long after the last page has been turned.
