

## Waikiki Threat (The Honolulu Thriller Series Book 4)

INTERNATIONAL THREATS IN FAMOUS WAIKIKI! Honolulu's favorite asset for Homeland Security, Keiko Tamura expects guns, bombs, and all manners of thrills in her daily life. What really gets under her skin is the deceit and desperate measures that go with that life. Keiko and her roommate Megumi join forces once again when Honolulu is threatened by terrorists, just when an international fashion show comes to town. On the heels of that is a major summit meeting slated for Diamond Head, something that draws the attention of world powers far and wide. Too many visitors show up for them to keep track of, keeping the pair running from one end of Waikiki to the other. At odds with each other over that timeless conflict--the attention of a man--can they work together to eliminate the explosive threats? And will they survive this latest test, not just their friendship but their very lives?
