DRUMMER BOY: A Supernatural Thriller

On an Appalachian Mountain ridge, young Vernon Ray Davis hears the rattling of a snare drum deep inside a cave known as The Jangling Hole, and the wind carries a whispered name. According to legend, the Hole is home to a group of Civil War soldiers buried by a long-ago avalanche. Everyone, especially Vernon Rays dad, laughs at him...because hes different. On the eve of an annual Civil War re-enactment, the town of Titusville prepares for a mock battle. But inside the Hole, disturbed spirits are rising from their dark slumber, and one of them is heading home. And Vernon Ray stands between the battle lines of the living and the dead, caught between a world where he doesnt a belong and world from which he can never return...Scott Nicholson is author of the AFTER series, THE HOME, LIQUID FEAR, DISINTEGRATION, CREATIVE SPIRIT, THE SKULL RING, SPEED DATING WITH THE DEAD, and many more thrillers. Always surprises and always entertains.--Jonathan Maberry, Rot And Ruin

He has entered a literary shadow land between Ray Bradbury and Neil Gaiman.--Sharyn McCrumb, The Hangmans Beautiful Daughter

Scott Nicholson understands that the best horror novels achieve primal fear through a combination of sustained atmosphere, richly drawn characters, and believable if uncanny evils that draw unholy power from everyday lives.--Christopher Ransom,

author of The Birthing House A master of atmospheric suspense. --Eric Wilson, NY Times bestselling novelist
