

Kiss the Goat

Kit is a twenty-five-year-old Yorkshire bus driver who isn't quite like the rest of us, as the old story goes. One day she hears a passenger playing a song—the Electric Hellfire Club's Kiss the Goat—a song she never knew existed outside the ghostly manifestations that have been haunting her lonely nights, complete with sounds, smell and sight. Enter, then, the ghost of Rose Selavy . . . a devil-worshipping prostitute with more on her mind than just bodily possession . . . A romp through satanic disco music, ethereal auto-erotica and apparitions with agendas, this modern ghost story is Brian Stableford at his quirky and subversive best.
