

Last Night Out: Special 5 Year Anniversary Edition

Gabe, Alan and Erin thought one last night out on the town before their junior year of college came to an end would be fitting. The three friends did the same as always they went to a bar. Only this time they decided to try someplace new: The Torchlight Inn. They are eager to make it a night to remember. During their time at the shabby bar they come face to face with seedy bar patrons, a biker gang and one strange-acting bartender named T-Bone. But all is well until Alan and Erin mysteriously disappear and Gabe has to try and find his friends before being forced to pay their bar tab. Little do any of them know the secret the place holds beneath its cracked floorboards. Where a whole new kind of terror is waiting for them.
