

The Cowboy in Unit E (Mockingbird Place Book 2)

The good news is the most gorgeous cowboy Ive ever seen is moving in next door to me. The bad news? Hes not alone. Hanging on his arm is a very pregnant woman. Are they a couple? It sure looks like they are. So not only is he not gay, but he also has a girlfriend, or a wife, or whatever. Just my luck. **** 21-year old Trace Cotton is an artist who never shows his paintings to anyone. When cowboy Luke Wagner moves into Mockingbird Place with a very pregnant Ava, Trace believes he must fight his attraction to Luke since hes taken. When Ava collapses outside Traces apartment, he comes to her rescue. Things arent what they seem on the surface, but when Trace finds out the truth will it be too late for a chance at something real with Luke? Warning: contains hot showers with singing, two sexy men kissing, and sexual situations taking place in a 10-unit Mediterranean complex filled with college-aged hotties.
