

La metamorfosis (Spanish Edition)

La metamorfosis (Die Verwandlung, en su título original en alemán) es un relato de Franz Kafka, publicado en 1915 y que narra la historia de Gregorio Samsa, un comerciante de telas que vive con su familia a la que él mantiene con su sueldo, que un buen día amanece convertido en una criatura no identificada claramente en ningún momento, pero que tiende a ser reconocida como una especie de cucaracha gigante. Breve e intensa, es calificada a veces como relato existencialista. En ocasiones el título es traducido como La transformación.
