

## BUTCHERS DOZEN (Eliot Ness Book 2)

THE UNTOUCHABLES HADNT PREPARED NESS FOR THIS After slamming the door on Capone, Eliot Ness and the Untouchables became legend. Now thats in the past, and Ness travels solo through Depression-ravaged America to clean up a battered town called Cleveland...a city in the firm grasp of fear. A rampaging madman has been on the loose for two years, a butcher who has already hacked up a dozen victims without leaving so much as a shred of evidence, with the exception of various, well-placed body parts. This case could cost Ness everythinghis job, his reputation, his lifebut he cant rest until this brutal murderer is caught. With one rookie cop, a headline crazed reporter and a gorgeous woman who just doesnt know when to quit, Ness goes undercover to hunt for an elusive killer who is almost as gifted with a knife as Ness is with a mystery. MAX ALLAN COLLINS, a Shamus-winning master of mystery and suspense, has skillfully woven fact and fiction to create a unique mystery series based on the life and exploits of one of Americas most memorable heroes, Eliot Ness. Butchers Dozen is the second book in this exciting series that began with the highly acclaimed The Dark City
