

## Robert Crais Collection: Monkeys Raincoat, Free Fall, Lullaby Town (Elvis Cole/Joe Pike Series)

**THE MONKEYS RAINCOAT** Read by David Stuart (Joyce Bean, Russell Byers) When Ellen Langs husband disappears with their son, she hires Elvis Cole to track him down. The search for Ellens errant husband leads Elvis into the seamier side of Hollywood. He soon learns that Mort Lang is a down-on-his-luck talent agent who associates with a schlocky movie producer, and the last place he was spotted was at a party thrown by a famous and very well-connected ex-Matador. But no one has seen him since - including his B-movie girlfriend. At the same time the police find Mort in his parked car with four gunshots in his chest - and no kid in sight - Ellen disappears. Now nothing is what it seems, and the heat is on. Its up to Elvis Cole and his partner Joe Pike to find the connection between sleazy Hollywood players and an ex-Matador.

**FREE FALL** Read by James Daniels (Sandra Burr, Jill Sovis) Elvis Cole is just a detective who cant say no, especially to a girl in a terrible fix. And Jennifer Sheridan qualifies: Her fiance, Mark Thurman, is a decorated LA cop with an elite plainclothes unit, but Jennifers sure hes in trouble - the kind of serious trouble that only Elvis Cole can help him out of. Five minutes after his new client leaves his office, Elvis and his partner, the enigmatic Joe Pike, are hip-deep in a deadly situation as they plummet into a world of South Central gangs, corrupt cops, and conspiracies of silence. And before the case is through, every cop in the LAPD will be gunning for a pair of escaped armed-and-dangerous killers - Elvis Cole and Joe Pike.

**LULLABY TOWN** Read by James Daniels (Joyce Bean, Russell Byers) Hollywoods newest wunderkind is Peter Alan Nelson, the brilliant, erratic director known as the King of Adventure. His films make billions, but his manners make enemies. What the boy king wants, he gets, and what Nelson wants is for Elvis to comb the country for the airhead wife and infant

child the film-school flunkout dumped en route to becoming the third biggest filmmaker in America. Its the kind of case Cole can handle in his sleep - until it turns out to be a nightmare. For when Cole finds Nelsons wife in a small Connecticut town, shes nothing like what he expects. The lady has some unwanted - and very nasty - mob connections, which means Elvis could be opening the East Coast branch of his P.I. office . . .at the bottom of the Hudson River.
