

City of the Lost: Part Five

In *City of the Lost*, a thrilling new eBook in six parts, New York Times and Globe and Mail bestselling author Kelley Armstrong delivers us to Rockton, a secret little town in the far north where the hunted go to hide. And where a hunter has now come to play. A sadistic killer is loose in Rockton, and whip-smart detective Casey Butler is on the job. After the taciturn sheriff, Eric Dalton, makes a dark confession, Casey is dealt another blow this time from her best friend, Diana. Bruised and betrayed, Casey is thrown into a sea of doubt. But she has no time to feel sorry for herself. Rockton's killer is on the hunt, and this deep in the remote wilderness, no one is safe.
