

MasteringA&P without Pearson eText -- Standalone Access Card -- for Essentials of Anatomy & Physiology

MasteringA&P from Pearson has been designed and refined with a single purpose in mind: to help educators create that moment of understanding with their students. The Mastering online homework and tutoring system delivers self-paced tutorials that provide individualized coaching, focus on your course objectives, and are responsive to each student's progress. The Mastering system helps instructors maximize class time with customizable, easy-to-assign, and automatically graded assessments that motivate students to learn outside of class and arrive prepared for lecture. By complementing your teaching with our engaging technology and content, you can be confident your students will arrive at that moment of true understanding. MasteringA&P lets instructors easily assign Reading Quizzes, Chapter Tests, Art-based Questions, Art-labeling Activities, Practice Anatomy Lab (PAL) Test Bank Questions, and Coaching Activities based on Essentials of Interactive Physiology, all automatically graded. Provides students personalized coaching through answer-specific feedback and hints. Motivates students to come to class prepared. Easily captures data to demonstrate assessment outcomes.
